

MAROOF AHMED

Frontend Developer | Web Developer | Software Developer

Delhi, India | +91 8800744192 | maroof0607@gmail.com | [linkedin.com/in/beingmaroof](https://www.linkedin.com/in/beingmaroof) | github.com/beingmaroof

Web Developer with hands-on experience designing, developing, and deploying responsive web applications using HTML, CSS, JavaScript, and SQL. Currently pursuing a Bachelor of Computer Applications (BCA) at Maharaja Surajmal Institute (GGSIPU) with a CGPA of 9.22. Built multiple real-world projects, including a live digital agency website, an e-commerce platform, and a productivity application, while leveraging AI-assisted development workflows and prompt engineering. Seeking a Frontend Developer, Web Developer, or Software Development internship to contribute to impactful projects and continue growing as a developer.

PROJECTS

PIXEN INDIA DIGITAL – DIGITAL AGENCY WEBSITE

Live Demo: <https://pixonindiadigital.vercel.app>

GitHub: <https://github.com/beingmaroof/Pixen-India-digital>

- Developed and deployed a digital agency website from scratch using HTML, CSS, and JavaScript.
- Designed responsive and user-friendly interfaces focused on branding and business presentation.
- Leveraged AI-assisted development workflows and deployed the website on Vercel.

ARVAUX – LUXURY E-COMMERCE WEBSITE

GitHub: https://github.com/beingmaroof/Arvaux_Ecommerce

- Built a responsive luxury fashion e-commerce website using HTML, CSS, and JavaScript.
- Developed modern product listings and mobile-friendly user interfaces.
- Created the entire project from scratch without frameworks, templates, or external libraries.

SNAPLIST – PRODUCTIVITY & SHOPPING LIST APP

GitHub: <https://github.com/beingmaroof/SnapList>

- Developed a task and shopping list management application using HTML, CSS, and JavaScript.
- Implemented dynamic task handling and responsive user interfaces.
- Designed a simple, intuitive, and mobile-friendly productivity experience.
